## OBJECTIVE

This conference aims at bringing together the Researchers, Scientists, Engineers and Scholars in the area of "Advance Trends In Digital Image Processing", and provides an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices.

## ABOUT THE INSTITUTION

Arasu Engineering College, Kumbakonam is established by Sri Thirunavukkarasu Dhanalakshmi Educational and Charitable Trust. It was registered as a public charitable trust in the year 2000 to serve the society. The trust is doing yeoman service in the field of Technical Education and Research.

It started with the aim to accelerate academic, social and economic development. It is one of the leading Engineering colleges affiliated now to the Anna University. The Campus is spread over an area of 50 acres with gorgeous background of Temples. The Fresh air, sweet medicated water from Cauvery River .The Serene area provides pleasant atmosphere for the students to concentrate well on their studies.

The college was started in the year 2001-02 to cater to the needs of the nation in the development of technocrat personnel and to provide facilities for educating and training the young men and women to meet the entrepreneurial and management needs.

## ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering started in the year 2001, boasts of well experienced and technically excellent faculty members. The laboratory infrastructure of the department is excellent with state of art equipments and software related to the field of engineering. In order to inculcate R&D acumen among the students, the department faculty encourages the students to implement innovation ideas in their project works.
